

ASSEMBLY INSTRUCTIONS

1. Assemble 361020 Bracket and 16351 Indicator Rod to drum cover using 16352 Indicator Nut, 34757 O-ring, 48548 Washer and 16353 Indicator Plug. Tighten indicator nut to secure bracket to drum cover. Install 57079 Snap Ring onto indicator rod.
2. Insert 70499 Chain and 66696 Sleeve through hole in bottom of 93326 Follower Assembly.
3. Slide follower assembly onto pump tube.
4. Connect indicator rod and chain together with 57104 Snap Ring.
5. Install 16613 Collar onto pump tube. Locate collar just above inlet holes in pump tube and secure in place using 50561 Set Screws.

SERVICE PARTS

Part	Qty.	Description
16351	1	Indicator rod
